

Participation and Refund Terms

-Participation in our conferences can be done as an audience member, poster presenter, oral presenter, or invited speaker. Poster and oral presentations can be presented after blind peer review. A conference fee is paid for accepted works. The organizing committee is authorized in this matter. Participants may withdraw their presentations before the conference program is published, and if they have already paid, their participation fees will be refunded. No refunds will be given after the conference program is published. Conference participation certificates will not be issued for works that are not presented, and this will be stated in the conference booklet. The organizing committee will announce the date of the conference program on its website.
